

WE ARE AN ESSENTIAL BUSINESS AND ARE OPEN TO SERVE OUR COMMUNITY

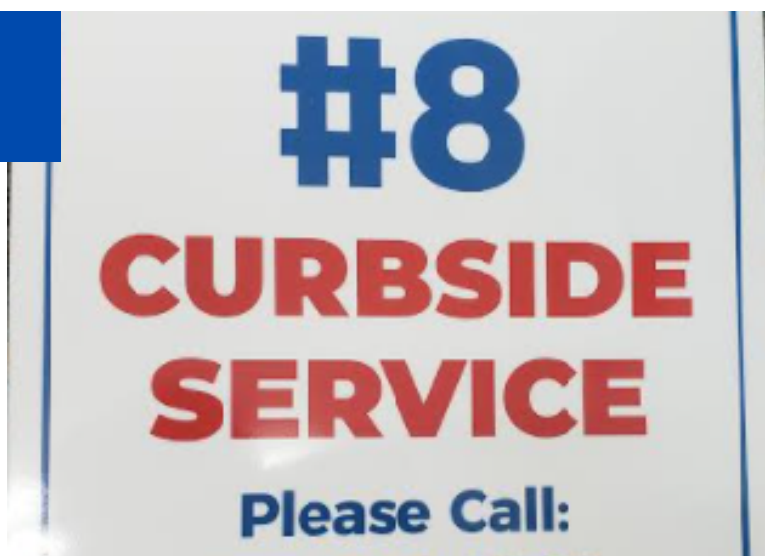

CURBSIDE SERVICE

We understand you may be concerned with how COVID-19 could impact your beloved pets' Veterinary Care. At Holcomb Bridge Animal Hospital we are committed to providing your pets' with the same exceptional care you are used to, but just a little different with curbside service. We are able to keep you and our pet care professionals safe with curbside service.

REMAIN IN YOUR VEHICLE

When you arrive for your appointment please park in a spot designated with a "Curbside Service" sign and give us a call. One of our pet care professionals will be ready to greet you, review your pet's medical care needs, and bring your pet inside. Our medical team will evaluate your pet then discuss recommendations and a treatment plan.

CONTACTLESS PAYMENT

When it is time for payment, our team will contact you to review the services and amount due. We will then go over your payment options and process your payment.
